**IMPORTANT INFORMATION BEFORE COMPLETING THIS APPLICATION FORM:**

**1. General:**

- 1.1. This form must be used to apply for the Amendment of an Environmental Authorisation where this Department is the Competent Authority. An amendment includes:
  - 1.1.1. adding, substituting, removing or changing a condition or requirement of an Environmental Authorisation, or
  - 1.1.2. updating or changing any details or correcting a technical error.
- 1.2. The appointed environmental assessment practitioner (EAP) **must be registered with Environmental Assessment Practitioners Association of South Africa (EAPASA)** in terms of Regulation 14 of Section 24H Registration Authority Regulations, 2016, as amended. Proof of such valid registration must be appended to this Application form ([APPENDIX 8B](#)). This will be confirmed by the Competent Authority (CA) on the EAPASA website.
- 1.3. The EAP candidate may only **assist** the registered EAP and work under the supervision of a registered EAP (Regulation 14(6) in the S24H Registration Authority Regulations, 2016, as amended). The registered EAP takes full responsibility for the work conducted.
- 1.4. The required information must be typed within the spaces provided in the form. The sizes of the spaces provided are not necessarily indicative of the amount of information to be provided. Spaces are provided in tabular format and will extend automatically when each space is filled with typing. A legible font type and size must be used when completing the form. The font size should not be smaller than 10pt (e.g. Arial 10).
- 1.5. Unless protected by law, all information contained in and attached to this application, will become public information on receipt by the Competent Authority. Upon request during any stage of the application process, the Applicant / EAP must provide any registered interested and affected party with the information contained in and attached to this application.
- 1.6. This application form is current as of **August 2023**. It is the responsibility of the Applicant/Environmental Assessment Practitioner (EAP) to ascertain whether subsequent versions of the form have been published or produced by the Competent Authority. The latest available Departmental templates are accessible at <https://www.dffe.gov.za/documents/forms/legal>.
- 1.7. The onus is on the Applicant/EAP to confirm whether DFFE is the Competent Authority to which this application must be submitted (Section 24C of NEMA).
- 1.8. An application for amendment of Environmental Authorisation lapses if the applicant fails to meet any of the timeframes prescribed in terms of the EIA Regulations, 2014, as amended.

**2. Administrative Requirements:**

- 2.1. An application fee is applicable (refer to [2. FEES](#)). Proof of payment **must** accompany this application and be paid **prior** to the submission of this Application form ([APPENDIX 2](#)). The application will not be processed without proof of payment unless one of the exclusions provided for in the Fee Regulations is applicable **AND** such information in the exclusion section of this application form has been confirmed by this Department.
- 2.2. A cover letter on your company letterhead indicating the nature of this application **must** be appended to this form for e.g. new application for Environmental Authorisation, amendment application for Environmental Authorisation etc.
- 2.3. An electronic copy of the signed application form must be submitted of both the Applicant and EAP and the signature should not be older than 4 months. The relevant form(s) can be found on our website <https://www.dffe.gov.za/documents/forms/legal>.
- 2.4. This form must be submitted to the CA in the format as prescribed in the process to upload documents form. Note, that this CA does not accept hard copy documents since June 2020. <https://www.dffe.gov.za/documents/forms/legal>
- 2.5. Where required, select the box required. The empty box, once selected, will replace with a .
- 2.6. The use of the phrase “not applicable” in the form must be done with circumspection. Where it is used in respect of material information that is required by the Competent Authority for assessing the application, this may result in the application being considered as **incomplete** as provided for in the EIA Regulations.
- 2.7. Unless protected by law, all information contained in and attached to this application, will become public information on receipt by the Competent Authority. Upon request during any stage of the application process,

**6.6. DESCRIPTION OF AMENDMENT/S:**

<p>6.6. Describe the amendments that are being applied for:</p> <p><i>Please be specific in your request for e.g. an additional 3 years is required; the holder requires an update to contact details etc. If possible, quote page numbers of the EA where amendments are requested e.g. page 06 of the EA typed as XXX is requested to be amended to XXX.</i></p> <p><i>Include a map of the proposed amendment/s in <a href="#">APPENDIX 10</a>.</i></p>
<ol style="list-style-type: none"> <li><u>Ownership remains unchanged.</u> However, the contact at Kruger Shalati is no longer Ms Judiet Barnes. Mr Gavin Ferreira is now the Concession General Manager and his contact details are provided above.</li> <li>Kruger Shalati wishes to construct a new boma within their concession footprint at central GPS coordinates: 24° 59.584'S &amp; 31° 35.829'E. Kruger Shalati installed the additional section of railway track on which the boma is proposed to be situated – <u>it is not on the old Shalati railway track</u>, and SAHRA have confirmed that it is not a heritage feature. The boma is proposed to be 500m<sup>2</sup>, measuring &gt;30m along the track and 15m wide. It does not trigger any additional activities as covered by the existing environmental authorisation. In order to provide a relatively level surface for the boma, approximately 50m<sup>3</sup> of fill will need to be imported from the nearest permitted borrow pit. The fill will be retained on the western and eastern edges of the boma with low retaining walls (see HesseKleinloog drawing in Appendix 10). Existing trees will not be harmed or removed and will be kept as features of the boma.</li> </ol>

**6.7. MOTIVATION FOR AMENDMENT/S:**

<p>6.7. Please provide the reasons and/or a motivation for the application for amendment:</p> <p><i>Please be specific in your reasons for e.g. an additional 3 years is required; the holder requires an update to contact details etc as the current holder is no longer employed with the holding company.</i></p>
<p>Details of the contact person at Kruger Shalati have changed and the boma is an addition to the approved layout.</p>
<p>6.8. Should the amendment being requested result due to <b>6.1 (b)</b> above, you are required to furnish the Department with a written undertaking that the new holder of the environmental authorisation is willing and able to assume responsibility of the environmental authorisation issued.</p> <p>Said undertaking must be on the letterhead of the proposed new holder and signed by both the current and proposed holder. Signatures should not be older than 4 months old.</p> <p>Provide a short motivation and explanation below</p>
<p>n/a</p>

**7. ENVIRONMENTAL IMPACTS**

<p>7.1. Describe any <b>negative</b> environmental impacts that may occur if the application for amendment is granted, amongst others, information on any increases in air emissions, waste generation, discharges to water and impacts of the natural or cultural environment must be included.</p>
<p>Potential introduction of invasive alien species from fill material obtained outside the Kruger National Park.</p> <p>Spill of fill material in transit to the site.</p> <p>Potential damage to and/or loss of exiting trees due to construction work.</p> <p>Limited amounts of dust generated from the construction activities.</p> <p>Potential for noise associated with construction causing disturbance to visitors to Skukuza</p>
<p>7.2. Describe any <b>negative</b> environmental impacts that may occur if the application for amendment is <b>not</b> granted.</p>
<p>Kruger Shalati wishes to diversify their guest offerings with a traditional bush dining outdoor experience and if the application is not approved the operation may become less competitive and may result in a loss of revenue with related socio-economic impacts.</p>
<p>7.3. Describe any <b>positive</b> environmental impacts that may occur if the application for amendment is granted, amongst others information on any reduction in the ecological footprint, air emissions, waste generation and</p>

Hi Gavin

Please see attached the quote I originally sent through in January 2021. Let me know if you need me to update this or if it is OK as it stands.

Note that whenever possible I would bring Karen with me on the audits as the extra pair of eyes and her sustainability experience will add value. This will not affect the quote.
